Operating Budget by Revenue Source

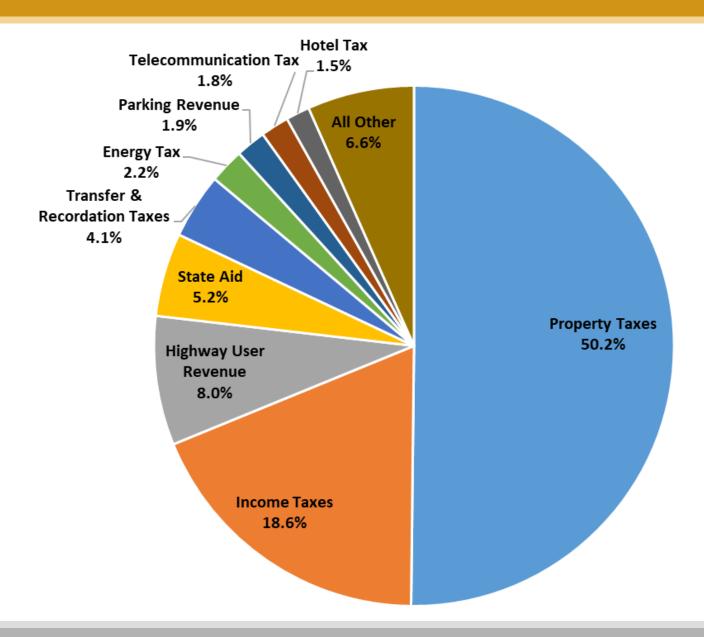

General Fund: is the City's largest fund. It includes all local taxes paid by residents, businesses and visitors. Policy-makers have the most management flexibility over how dollars are spent.

Grant Funds: are legally required to support specific programs and initiatives. The City receives funding from Federal, State and other special or private grantors.

Enterprise Funds: are used for operations in which the cost of services is covered primarily through user charges, which are determined based on consumption.
